

CASTLE HARDWARE'S

ARCHITECTURAL HARDWARE PRODUCTS

We offer a premium range of Architectural Hardware designed to enhance both functionality and aesthetics.

Whether for modern or traditional spaces, our hardware solutions bring a refined, reliable touch to residential, commercial, and industrial applications.

CASTLE HARDWARES

About Us

CASTLE HARDWARES is a premier manufacturer & exporter of architectural hardware, scaffolding & fencing components, known for delivering high-quality building solutions to clients across the globe. At Castle Hardware's, innovation & improvement are ongoing processes. We continuously invest in cutting edge technology, skilled manpower and dedicated R&D to enhance our product Quality, Performance & Design.

Founded in 1965, Castle Hardware's has cultivated a strong legacy rooted in Trust, Excellence & Customer Satisfaction.

Our manufacturing plant is strategically located in Aligarh, India, spans over 30,000 sq. ft. and is equipped with advanced production equipment. Staffed by a team of well-trained workers and overseen by experienced technocrats, we ensure Precision, Consistency & Quality in every product.

We proudly export a wide range of Brass, Aluminium, Iron & Steel, catering to customers across the globe with unmatched craftsmanship and commitment.

Our Mission

To deliver reliable, aesthetic, and high-performance building solutions that stand the test of time and build long-term relationships with our customers and partners.

Our Global Outlook

With a strong emphasis on exports, our products are designed to meet the diverse needs of global markets. We manage the entire Supply Chain — from manufacturing and quality control to packaging and logistics, ensuring on-time and high-quality delivery.

CASTLE HARDWARES

OUR PREMIUM COLLECTION OF BLACK ANTIQUE MALLEABLE HARDWARE

Designed to enhance traditional and rustic aesthetics, our range includes brackets, hooks, hinges, and latches made from high-grade malleable iron with a black antique finish.

Perfect for restoration projects, vintage-style interiors, and architectural applications, each piece delivers reliable strength with timeless charm.
