CASTLE HARDWARE'S

## About Us

CASTLE HARDWARES is a premier manufacturer & exporter of architectural hardware, scaffolding & fencing components, known for delivering high-quality building solutions to clients across the globe. At Castle Hardware's, innovation & improvement are ongoing processes. We continuously invest in cutting edge technology, skilled manpower and dedicated R&D to enhance our product Quality, Performance & Design.

Founded in 1965, Castle Hardware has cultivated a strong legacy rooted in Trust, Excellence & Customer Satisfaction.

Our manufacturing plant is strategically located in Aligarh, India, spans over 30,000 sq. ft. and is equipped with advanced production equipment. Staffed by a team of well-trained workers and overseen by experienced technocrats, we ensure Precision, Consistency & Quality in every product.

We proudly export a wide range of Brass, Aluminium, Iron & Steel, catering to customers across the globe with unmatched craftsmanship and commitment.

### Our Mission

To deliver reliable, aesthetic, and high-performance building solutions that stand the test of time and build long-term relationships with our customers and partners.

### Our Global Outlook

With a strong emphasis on exports, our products are designed to meet the diverse needs of global markets. We manage the entire Supply Chain — from manufacturing and quality control to packaging and logistics, ensuring on-time and high-quality delivery.

# CASTLE HARDWARES

# IRON MONGERY

We offer a versatile range of durable and functional hardware crafted from high-quality iron.

Known for their strength, reliability, and classic appeal, these products are ideal for residential, commercial, and restoration projects where performance and timeless design matter most.
